

KPMG Finance Hub

You take care of business while we take care of the financials.

Not everyone's a number cruncher, so let us take care of the financials while you take care of business. KPMG Finance Hub – your outsourced finance function.

When things feel uncertain, we can help you find clarity by giving you complete oversight of your business' financials. Finance Hub is KPMG's outsourced bookkeeping, payroll and finance function designed for private, mid-market and family owned businesses. Whether you're a start-up, not-for-profit or an established and growing business, Finance Hub is a cloud- technology based solution that offers your business a range of services, delivered by a dedicated KPMG accountant and finance officer. Applying our expertise to your finance function will offer you clarity and control over your numbers so you can make the right decisions for your business' future.

Benefits

Simplified finance function utilising cloud-based applications
